NEIGHBORHOOD COUNCIL BOARD MEMBER CODE OF CONDUCT POLICY

WHEREAS, the Commissioners recognize that a Neighborhood Council System that is physically and emotionally safe and secure for all Board Members promotes good citizenship, increases Stakeholder attendance and supports community engagement;

WHEREAS, Neighborhood Councils are required under Article II of the Plan for a Citywide System of Neighborhood Councils to be diverse, inclusive and open to all Stakeholders;

WHEREAS, the Commission expects Board Members to conduct themselves in a manner in keeping with an established Code of Conduct and with a proper regard for the rights and welfare of other Board Members, Stakeholders, Committee Members, and volunteers;

I have read and understand the Neighborhood Council Board Member Code of Conduct. I understand that if I fail to provide the Department of Neighborhood Empowerment with a signed and dated copy of this Neighborhood Council Board Member Code of Conduct I may be subjected to suspension and/or removal from my Neighborhood Council Board.

Whereas outreach is an important function of Neighborhood Councils, and

Whereas this Commission has emphasized the need for more effective outreach, and

Whereas this Commission believes that outreach included keeping Neighborhood Councils stakeholders aware of the Councils' activities regarding issues such as funding, Council Files and recommendations to City boards, agencies and commissions, and

Whereas the recordation of the Neighborhood Council's actions promotes transparency and is itself a form of outreach, and

Whereas the keeping of a record of the Neighborhood Council's action creates a written history that allows stakeholders and current and future board members to become aware of the Neighborhood Council's past actions,

Now, therefore, be it resolved that the Board of Neighborhood Commissioners establishes the following policy:

Neighborhood Councils shall keep minutes of all regular and special board meetings. Minutes of all regular board meetings shall be on the agenda of the following regular board meeting for approval by the board. Minutes of special board meetings shall be on the agenda of the next regular or special board meeting. Approved minutes of all board meetings shall be posted on the Neighborhood Council's website or, if a Neighborhood Council does not have a website, via a system made available to them by the Department of Neighborhood Empowerment (Department) -within 30 days of the regular or special meeting at which they are approved.

Prior to the approval of meeting minutes' draft minutes of any regular or special board meeting shall be posted on the Neighborhood Councils website or, if a Neighborhood Council does not have a website, via a system made available to them by the Department, when the agenda is posted.

Minutes shall contain at a minimum the following information:

1. the start time of the meeting;

the roll call of the Neighborhood Council board members, noting the time of any members who arrive after the meeting is called to order or who leave before the adjournment of the meeting;

the actions taken on any agenda items, including the board vote count of each board member by name, noting how they voted: for, against, abstain, recused, ineligible, or absent. The minutes shall also note how the Neighborhood Council counts abstentions.

Any person who observes a violation of this policy should first notify the President and the Secretary of the Neighborhood Council requesting that the violation be corrected. If the violation is not corrected within 30 days, the person observing the violation should notify the Board of Neighborhood Commissioners at commission.teempowerla.org. Upon receiving the notification, the Commissioner or Commissioners whose region contains the offending Neighborhood Council will act to communicate to the Neighborhood Draft Minutes Posting Policy-2-16-17 Agenda Item 9

Council the need to correct the violation. If the Neighborhood Council does not correct the violation within 30 days after notice from the Commissioner, then either the Commissioner or any other person may notify the Department. The Department shall then retain temporary staff at the Neighborhood Council's cost to prepare and post minutes per this policy.

These requirements for the taking and posting of minutes shall be appended to and become a part of the bylaws of all current and future Neighborhood Councils.
